**TELE-HEALTH**

**SERVICES**

**USER  
GUIDE**

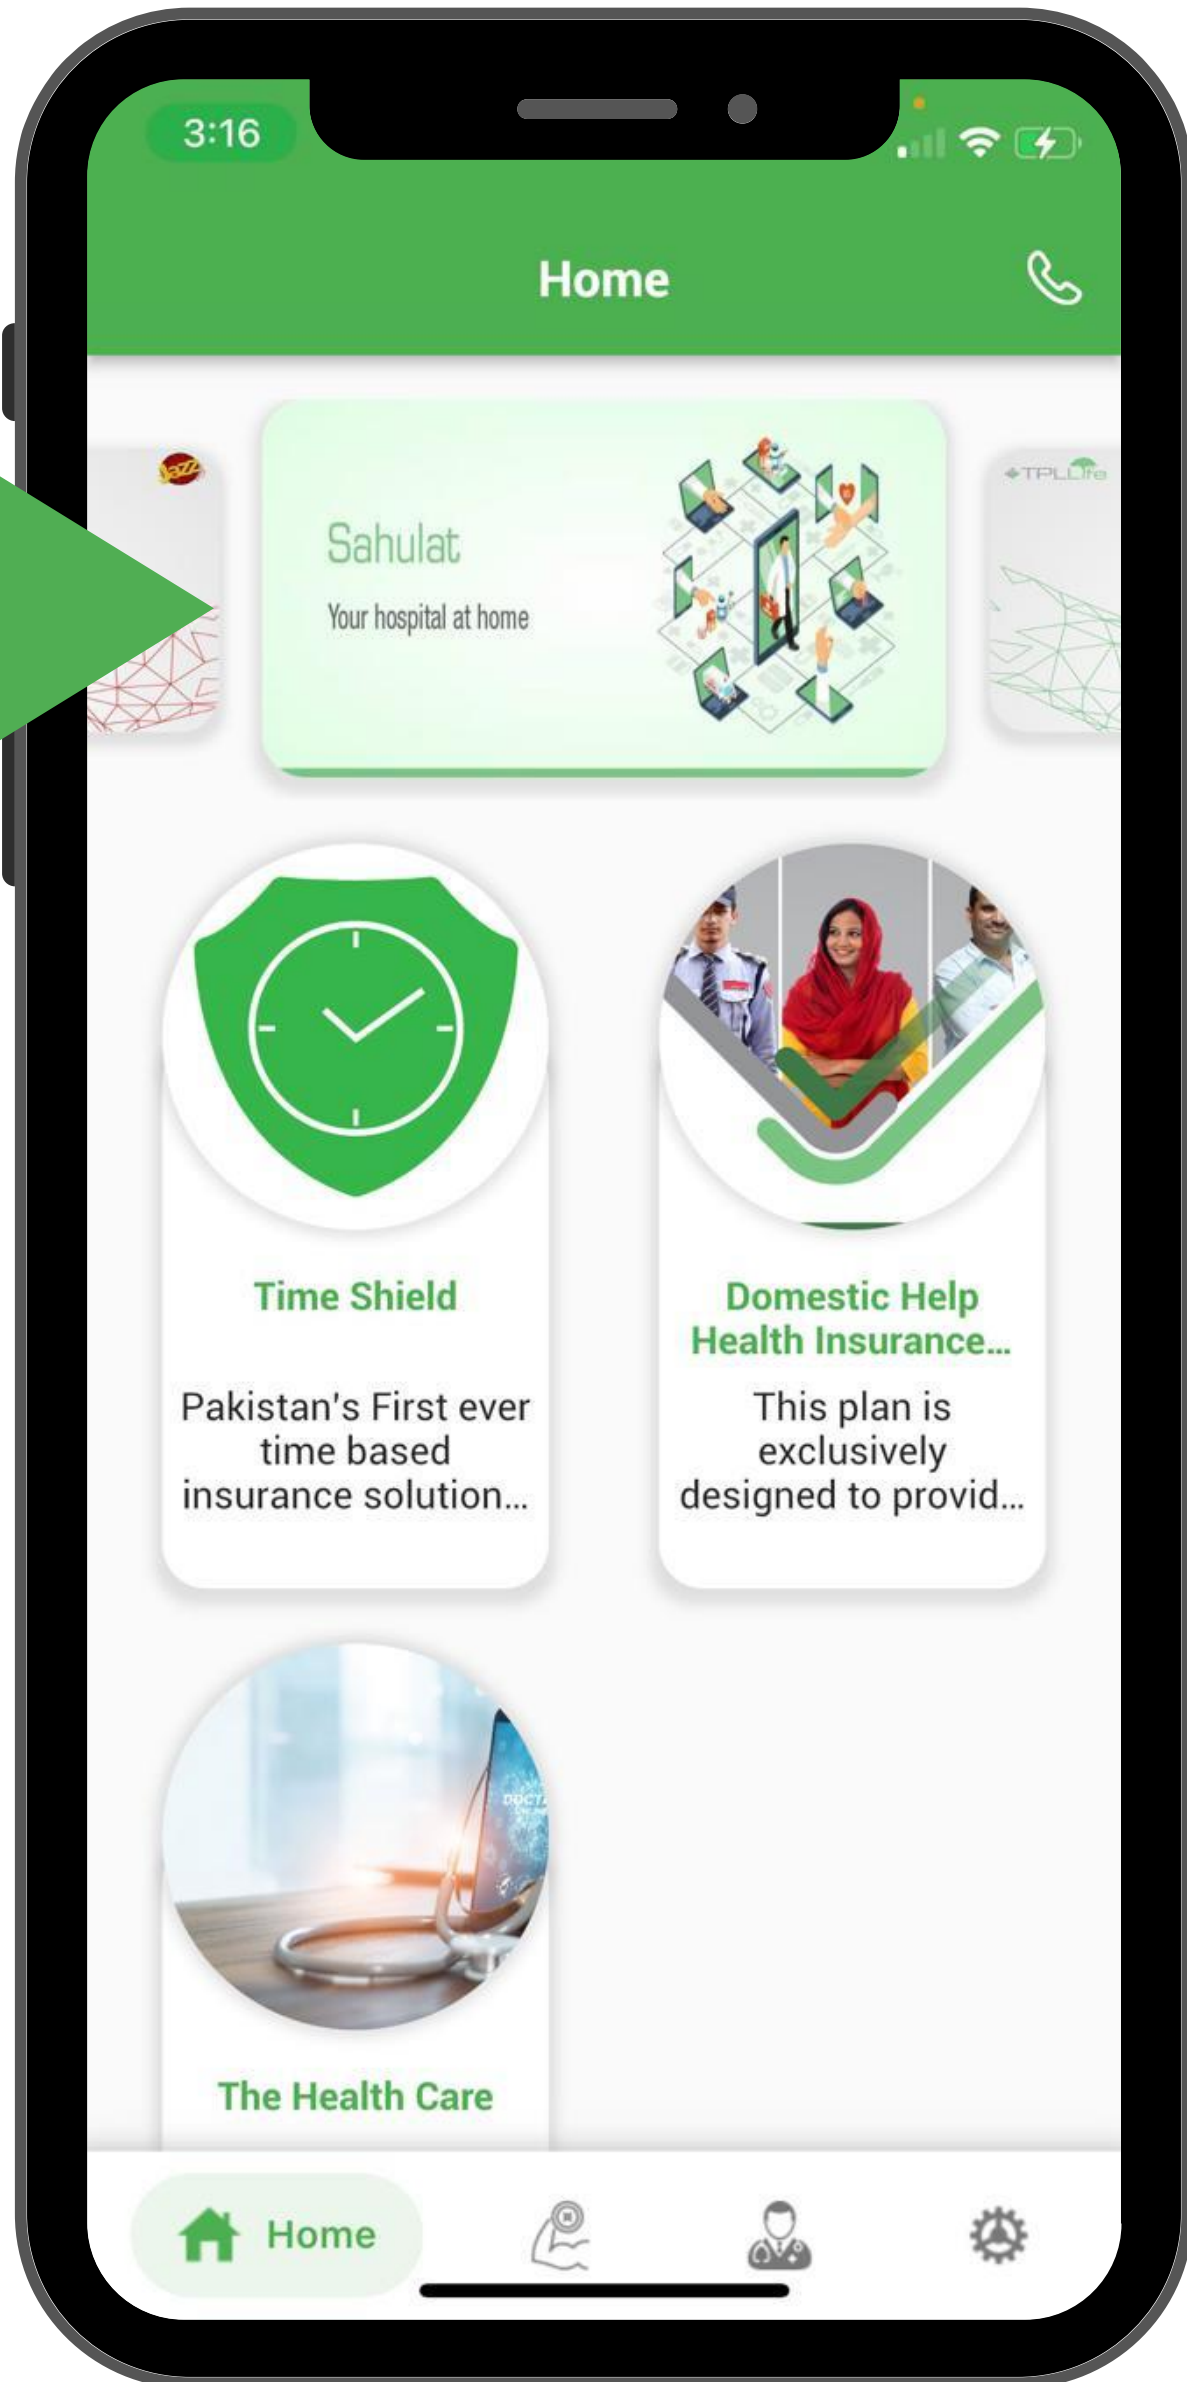

1

Customer can download our app through Apple/Google Playstore by search or scanning the QR code

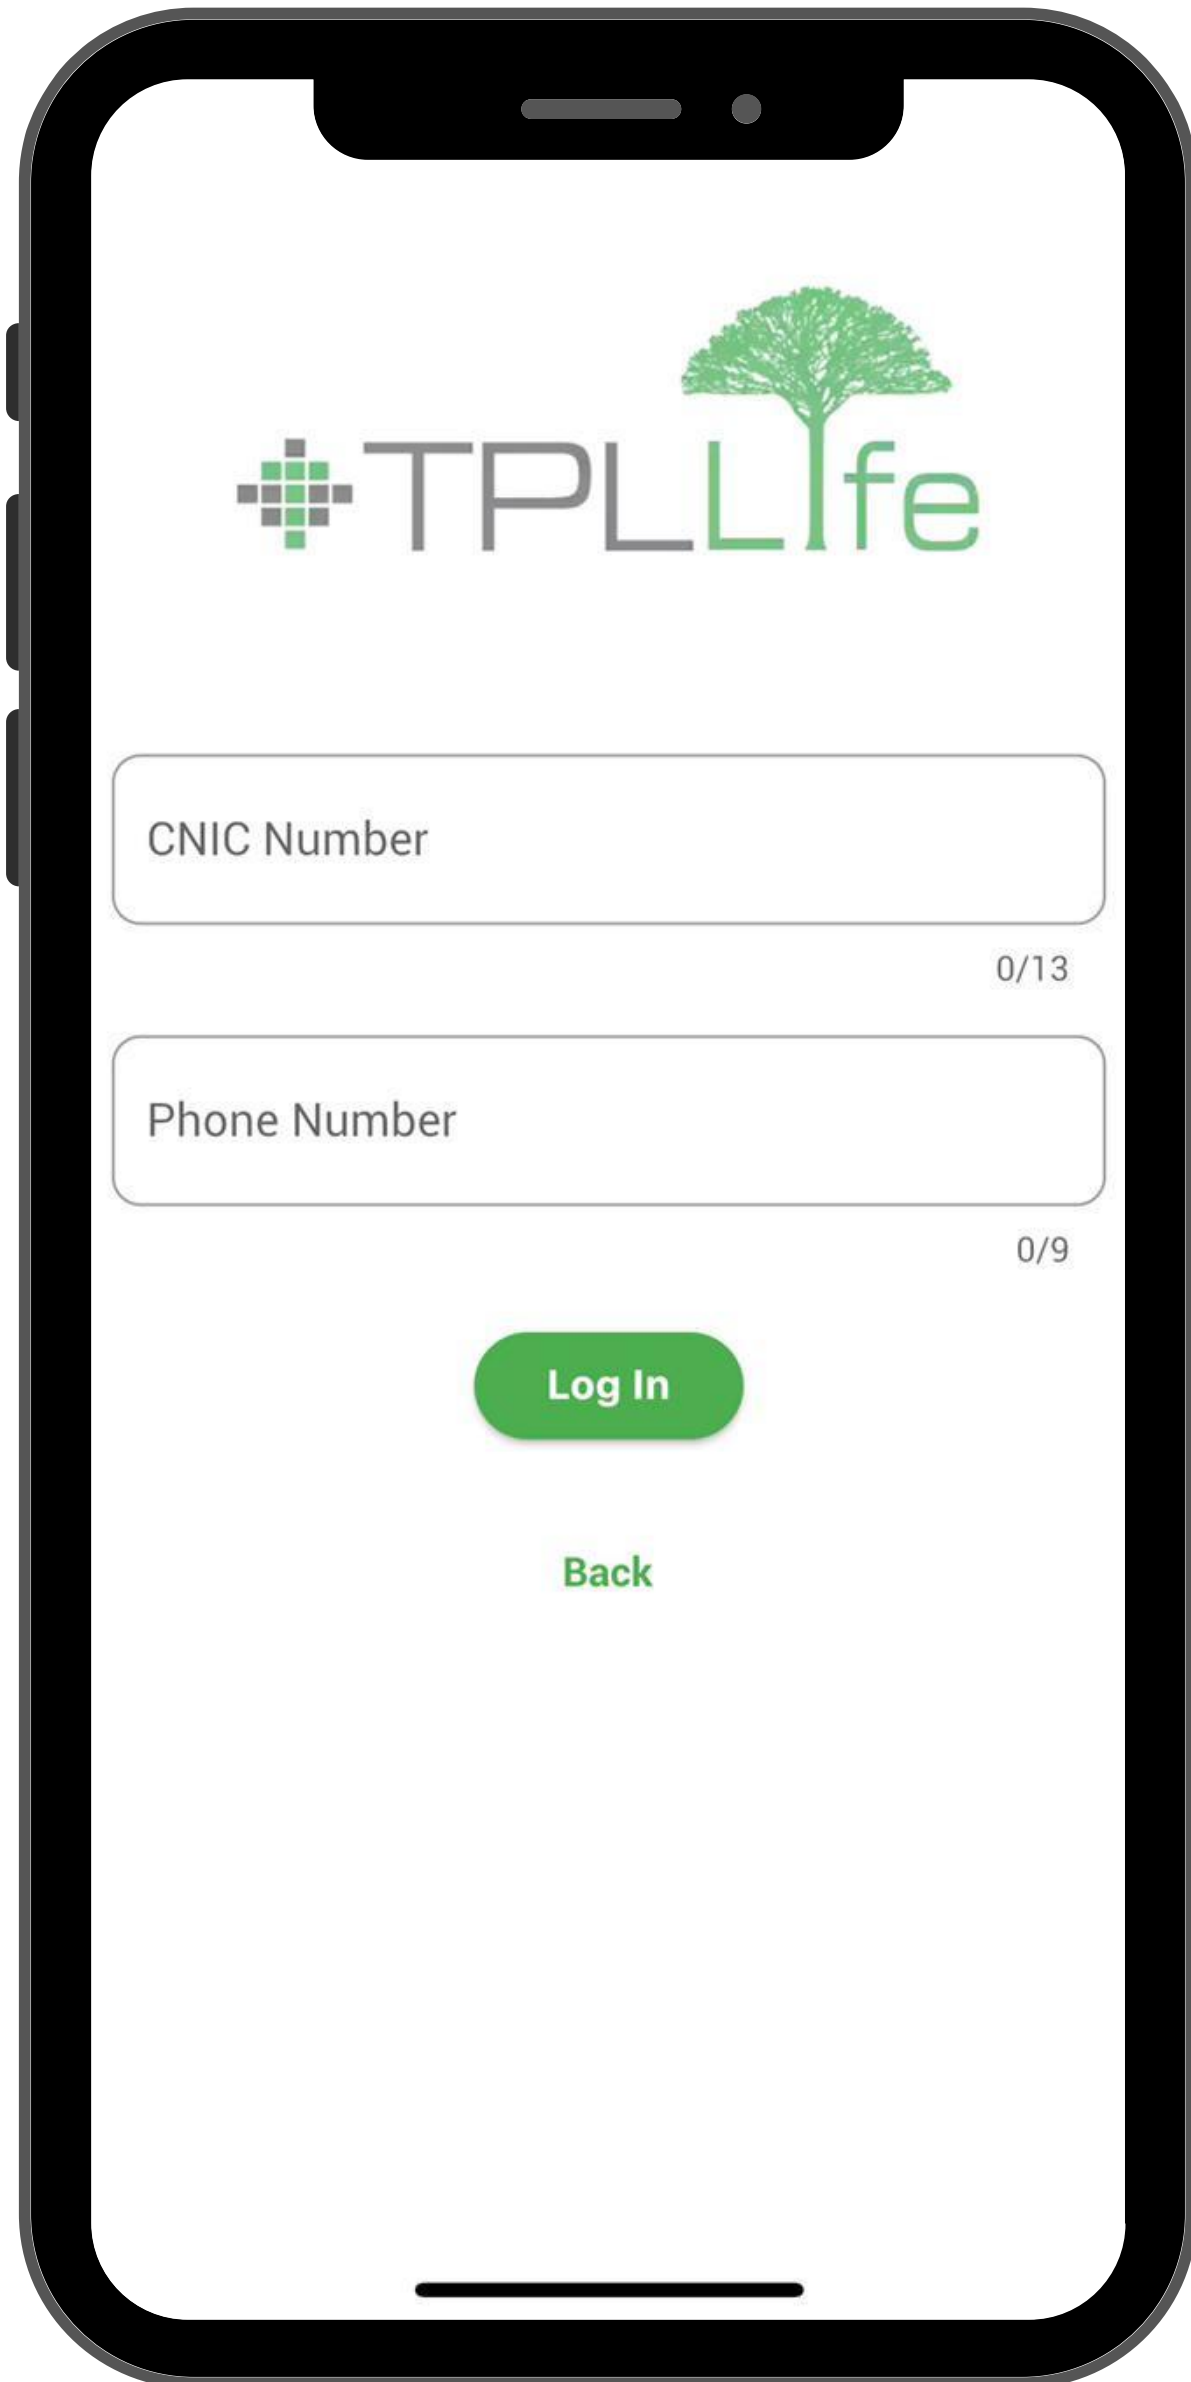

2

Click on the TPL Sahulat Banner or the doctor icon at the bottom of the screen to get redirected to

3

Customer enters his/her CNIC & Phone number to proceed to the services panel

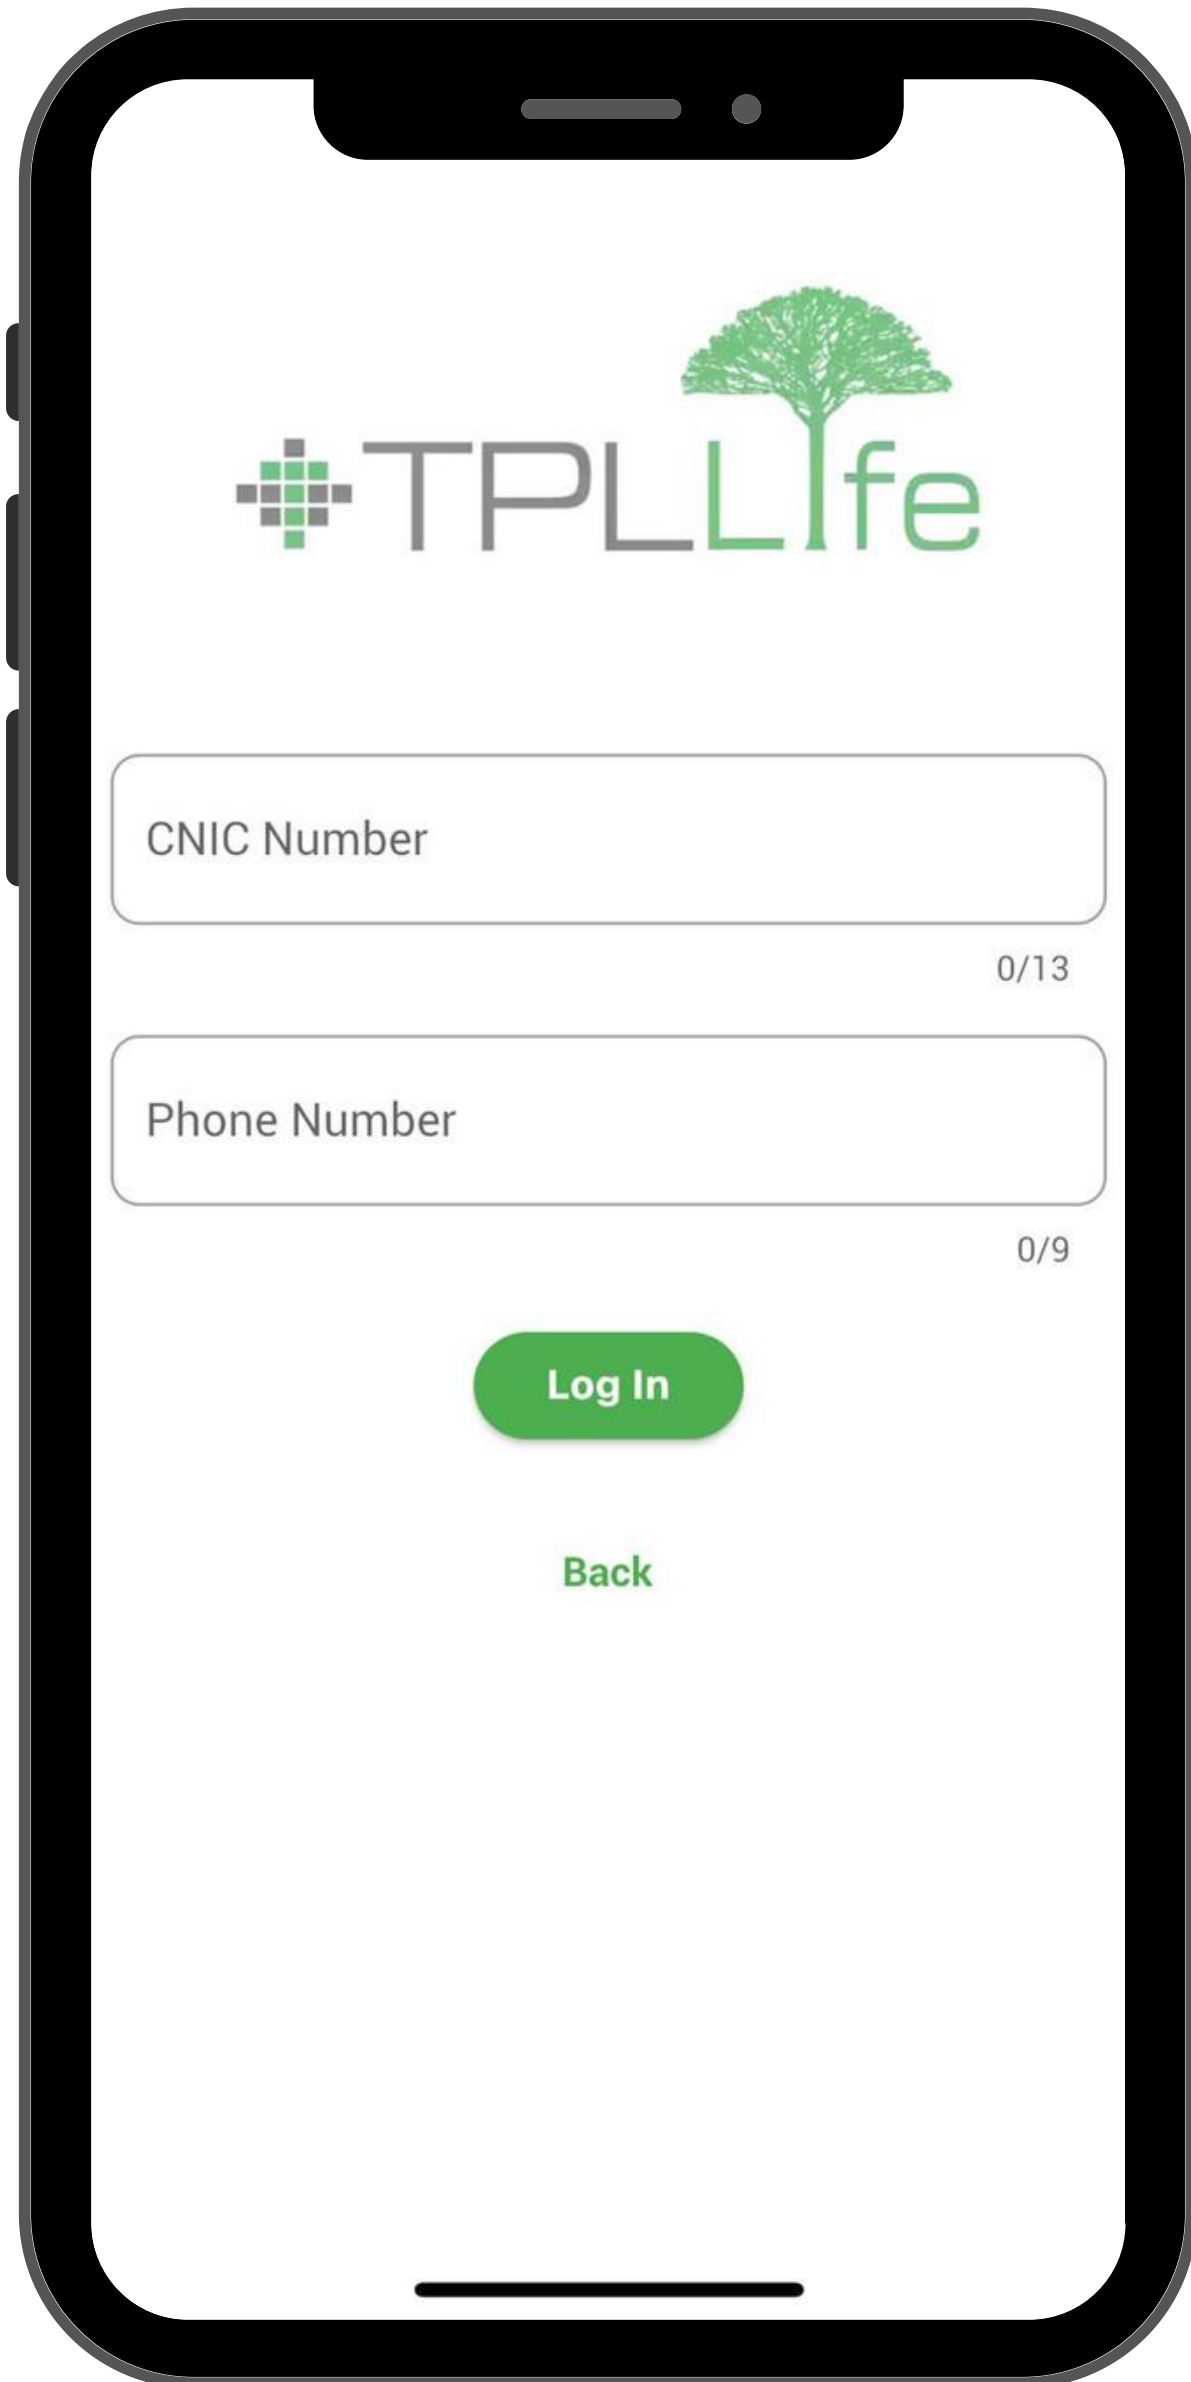

The image shows a mobile application interface for 'TPLLife'. At the top, there is a logo consisting of a green cross-like symbol followed by the text 'TPLLife', where the 'L' is stylized with a tree. Below the logo are two input fields. The first field is labeled 'CNIC Number' and has a character count of '0/13' on the right. The second field is labeled 'Phone Number' and has a character count of '0/9' on the right. Below these fields is a green rounded button labeled 'Log In'. Underneath the 'Log In' button is a green text link labeled 'Back'.

4

Customer enters his/her CNIC & Phone number to proceed to the services panel

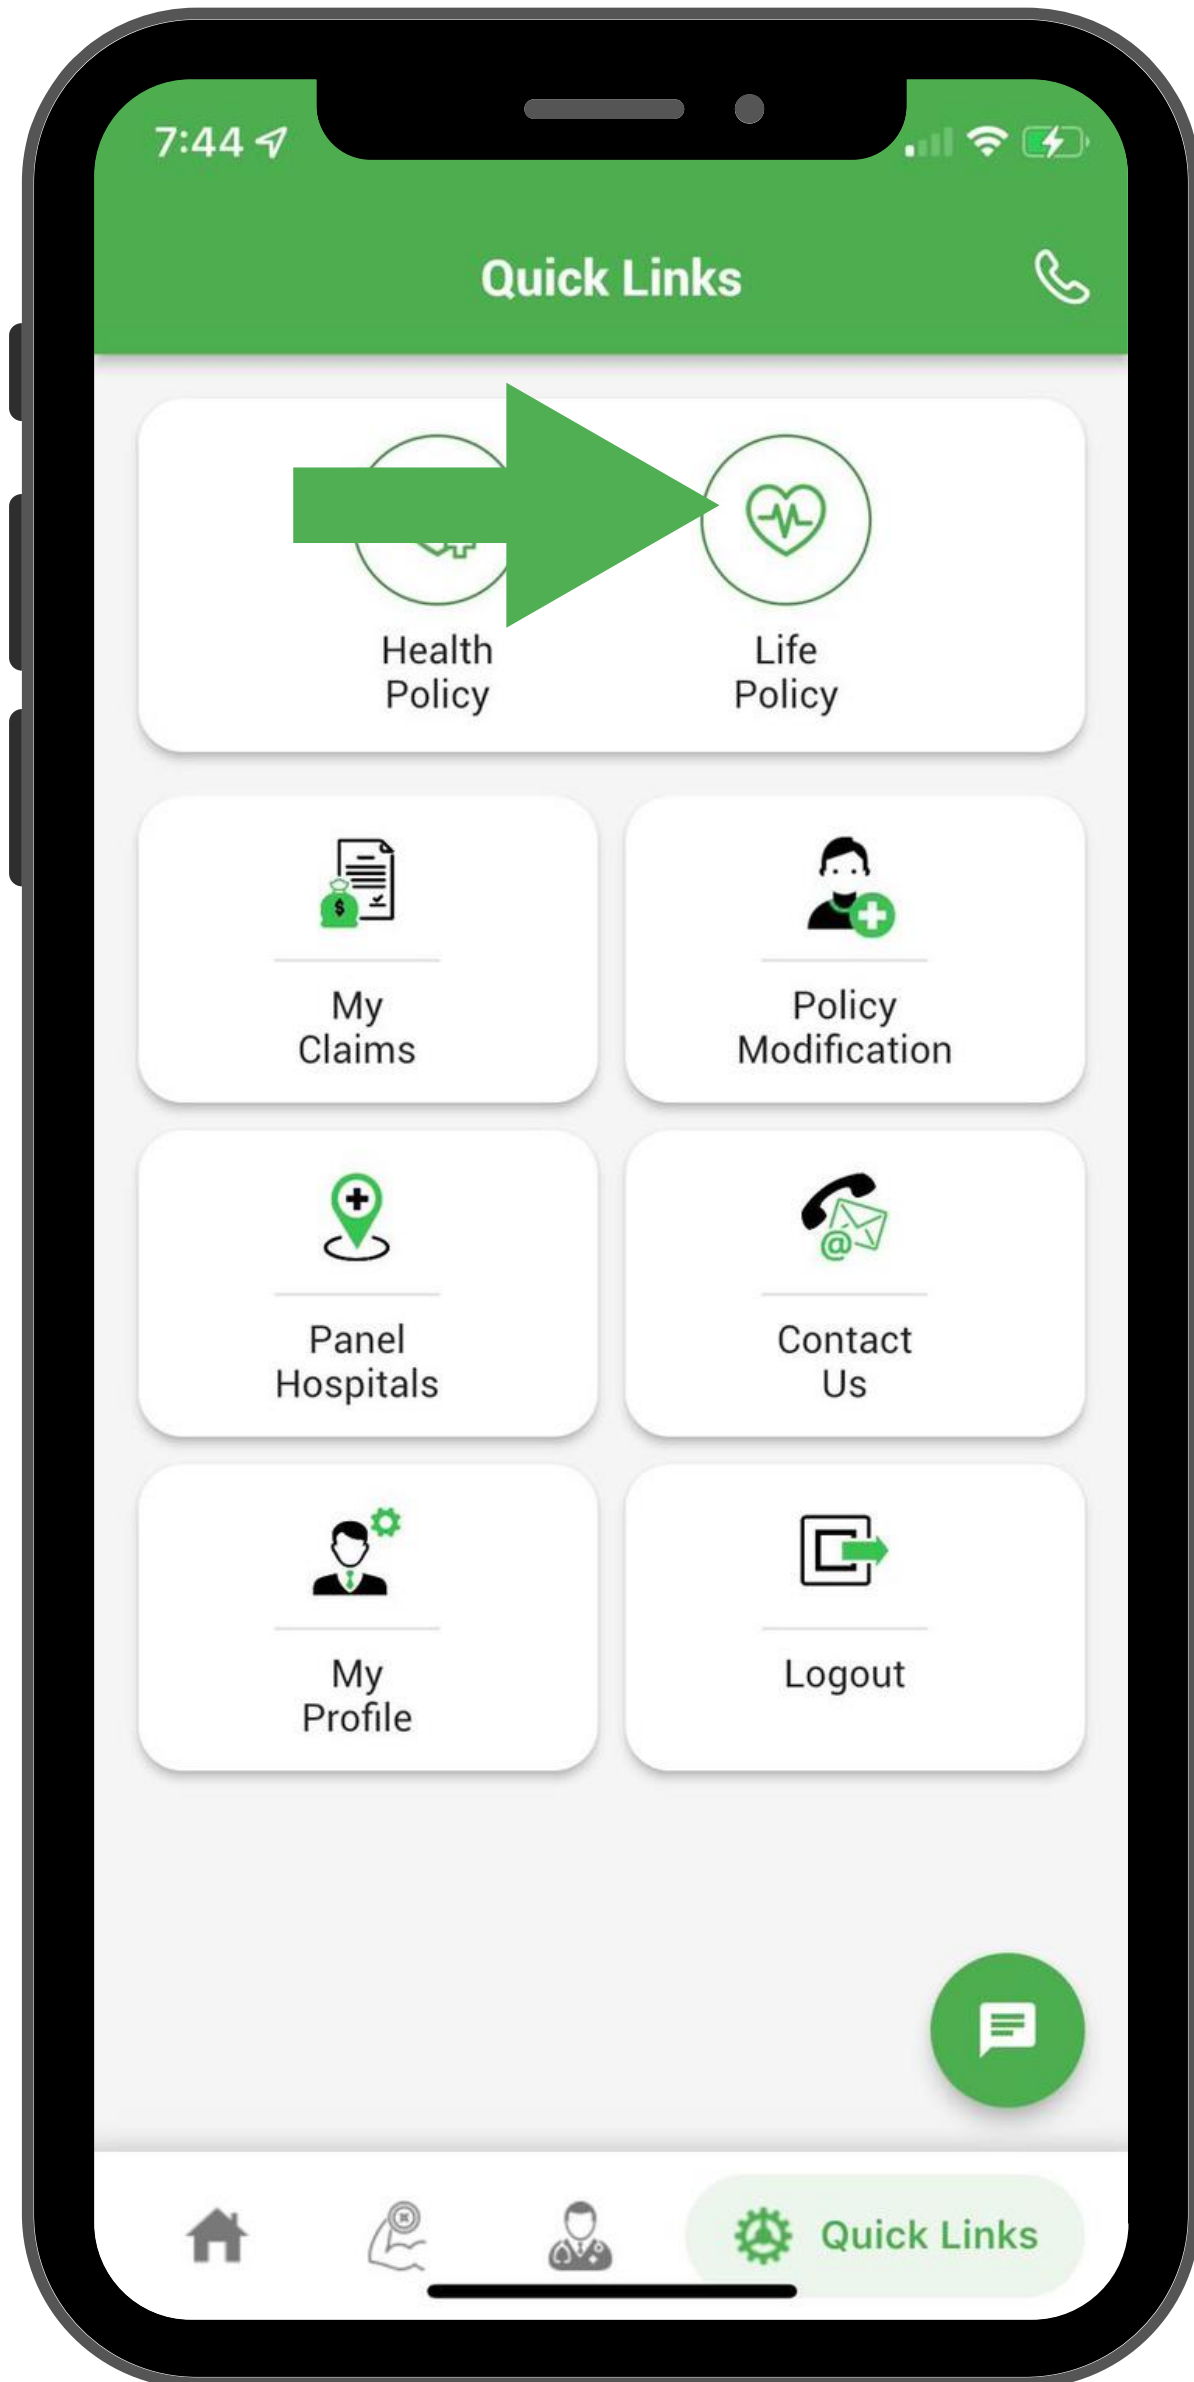

The image shows a mobile application interface for TPPLife. At the top, the TPPLife logo is displayed, featuring a green tree icon and the text "TPPLife". Below the logo, there are two input fields: "CNIC Number" with a character count of "0/13" and "Phone Number" with a character count of "0/9". A green "Log In" button is positioned below the input fields, and a "Back" link is located below the button.
